

Welcome to Sana Healthcare

Claims

When you wish to make a claim please let us know and we will supply you with the necessary claim form. Claim forms are available from all participating clinics, hospitals and can also be downloaded online from our website www.gasamamo.com. You must fill in this claim form, sign it and then get it signed by your general practitioner or the specialist treating you at the time. This is then to be sent to us. You must be referred for specialist consultations or other treatment by your general practitioner

In order for us to process the claim the member has to send a filled in claim form as soon as possible and not later than 3 months after the treatment has been received. We must also collect all the original invoices and receipts for the costs of the treatment. We may also require more information such as medical reports which have to be provided to us at the member's expense.

In more complex cases, the information supplied on the claim form may not be enough and we may need additional information from you for us to assess your claim.
Before receiving treatment from a specialist you must always be referred by a general practitioner.
