1. When an insured item is lost or damaged, **we** will:

Repair or replace the item involved or pay **you** for the repairs or replacement.

**We** shall base our settlement on the reasonable cost of repairing or reinstating the lost or damaged part of the insured **vessel** to a condition similar to but not better than that which existed when the relevant part was new.

This is subject to the following:

- The cost of repairs or reinstatement of the lost or damaged part does not render the **vessel** a **constructive total loss** in which case **we** will pay the **sum insured** or the **market value** at the time of the loss or damage whichever is the lower amount;
  - The maximum amount payable for any item listed separately in **the schedule** will be the **sum insured** on such item as noted in **the schedule**;
  - Deductions for depreciation on the cost of new items replacing old may be made by **us** in the case of sails, spars, standing and running rigging, outboard and inboard motors, trailers, **personal effects** and protective covers.
2. If the insured item is not repaired or reinstated **we** will pay **you** for the reasonable cost of repairing or replacing the damaged or lost item to a condition similar to, but not better than, the condition before the loss, taking into consideration deductions to reflect depreciation, the age and condition of the insured **vessel**.
  3. If the **vessel** is a **total loss** or a **constructive total loss**, **we** will pay **you** the **sum insured** or the **market value** at the time of the loss or damage whichever is the lower amount.
  4. If payment is made for damage that is unrepaired and the **vessel** is subsequently a **total loss**, the amount of the original payment will be deducted from any settlement figure.
  5. An adjustment will also be made, where applicable, in the settlement of your claim, if the total **sum insured** is too low at the time of the loss or damage. The **sum insured** must reflect the **market value** of the **vessel** and any sums paid by **us** will be limited to the same proportion that the **sum insured** bears to the **market value** of the **vessel** at the time of the loss or damage.
  6. **We** will not be liable to pay more than the **sum insured** in **the schedule** for any one accident or theft.  
This includes a series of accidents resulting from any one event.
  7. Whilst in transit the insured **vessel** must be:
    - Carried on a trailer fit for the purpose and towed by a suitable vehicle; or
    - Fitted on a purpose built cradle and carried by a professional haulier.
