We look forward to offering our insurance protection to you and to your vehicle.

What to do if you have an accident

First of all do not panic! Here is what you need to remember:

1. By law, you must stop if there is damage to any vehicle or property, or injury to any person, or certain animals, including dogs and horses. You must give your name, ID card number, address and insurance details to anyone with good reason to ask.
2. Make sure you get the names, addresses and phone numbers of any drivers, passengers or pedestrians involved, and details of any witnesses. By law, drivers must provide details of their insurance company and their policy number.
3. If you have a camera with you (for instance in your mobile phone) it is always a good idea to take photos of the accident, of any road signs or markings and of any damage suffered by the vehicles involved, before the vehicles are moved.
4. Do not admit blame or liability for an accident or offer to pay for any damage.

5. If you are involved in a front-to-rear collision you and the other driver must complete the Accident Report Form. You do not need to leave the vehicles in the same position they were in when the accident happened. If you are obstructing the traffic flow move the vehicles to a safe area where you can complete the form. Remember to keep the Accident Report Form, which we provided you with when you took out this insurance, in your vehicles at all times.
6. In any other collision, as long as no persons have been injured, you are to call the traffic Accident Warden Service on 2132 0202. You are required to remain on site until the warden arrives and to provide all the information requested. Do not move the vehicles unless ordered to do so by a Police Officer or by the warden. Follow any instructions given by the warden. We will receive a copy of the report drawn up by the wardens automatically and you will incur no charge for this service.
7. If the collision results in persons being injured, call the emergency services immediately on 112. Do not move any injured persons unless their life is in immediate danger, wait for the paramedics.
8. If, as a result of the accident, damage is caused to state-owned property then it is necessary to call the police who will come on site to draw up a report.
9. If your vehicle cannot be driven following the accident you may call the GasanMamo Roadside Assistance Service on [2123 4661](tel:21234661) or [7923 4661](tel:79234661), and your vehicle will be towed for a fee to be incurred by you to a destination of your choice unless you have purchased Roadside Assistance Cover in which case your vehicle will be towed for free.
10. If your vehicle suffers damage as a result of any criminal activity (such as an attempted theft or malicious damage) you need to report the matter to the police at the nearest police station. Do not disturb any evidence that the police may require in their investigations.
11. If you collide into or damage any other property belonging to third parties (such as boundary walls, trees, electricity poles, building facades or street furniture) please report the incident to the wardens who will come on site and draw up a report.

Contact us as soon as you can on [2134 5130](tel:21345130) to report your accident. You can also email us or use our website to report the claim:

If you take your vehicle abroad

A - Minimum cover for use abroad

This policy provides the minimum cover you need by law for your vehicle when using it in any designated state. The level of cover we provide will be the minimum necessary to keep to the laws on compulsory insurance in the country where the event happened; or, the minimum cover needed either in that country or in Malta, whichever is higher.

This cover will apply provided that your vehicle is registered in Malta within 30 days from the date of its purchase.

This policy is intended to provide insurance protection for vehicles that are registered in Malta and that are based in Malta. If you intend to use your vehicle outside Malta other than for short trips not exceeding 45 days in total in any one period of insurance, you must notify us of this immediately.

All designated states have agreed that a Green Card is not necessary for cross border travel. Your certificate of motor insurance should, therefore, provide sufficient evidence that you are complying with the laws on the compulsory insurance of motor vehicles in any of these countries that you visit. If, however, you contact us one working day before departure, we will be able to provide you with useful information on driving abroad, what to do and who to contact in the event of an accident.

Travelling with your vehicles to countries other than designated states

We may be prepared to extend cover to certain of these countries on request, in which case we will provide you with a Green Card and an additional premium will be required. You must contact us at least two weeks before so that we can prepare the necessary documentation.
