This is your **Gasamamo Insurance Limited Multi Dwelling Protect Insurance Policy**. It explains in detail your insurance protection. Please read it carefully and keep it in a safe place.

The Contract of Insurance

Your GasanMamo Multi Dwelling Protect Insurance policy document is made up of this booklet, **the Schedule** and any **endorsements** shown on your **Schedule**. Your GasanMamo Multi Dwelling Protect Insurance policy is a contract between **us, GasanMamo Insurance** and **you, the Policyholder**. It is formed by your application form and this policy document.

We will insure **you** against loss, damage or legal liability which may happen during any **period of insurance** which **you** are covered for. This is based on the information **you** give **us** and the declaration **you** made in the application form. It also depends on the terms of the policy.

The policy document describes the property insured and sets out all the circumstances when **you** can make a claim. It tells **you** how **we** settle claims and the maximum amounts **we** will pay.

Insurance policies do not cover **you** against every loss. For example, **you** cannot claim if the only damage is wear and tear caused by normal everyday use. The policy document also explains the **Exclusions** - the things **you** are not covered for.

There are also certain conditions which **you** must meet. For example, **you** and members of **your household** must keep your property in a good state of repair and take all reasonable steps to prevent injury, loss or damage.

On behalf of GasanMamo Insurance Ltd.

Julian J. Mamo
Managing Director

You must tell **us** about any changes which affect your policy and which have occurred either since the policy started or since the last renewal date. If **you** are not sure whether certain facts are relevant please ask your Insurance Adviser. You should keep a written record (including copies of letters) of any information **you** give to **us**, or your Insurance Advisor when **you** renew this policy.
