## Instructions to policyholders

It is important that you read these few notes that we have prepared and which, we hope, will make you more aware of what the policy covers and what requirements are made upon you. **THIS IS NOT A SUBSTITUTE FOR THE ACTUAL POLICY** which, as a legal document, will describe the full terms of cover.

### Loss or theft

You are required to report any losses or thefts to the Police authorities within 24 hours of the occurrence. A copy of the police report must be lodged with your claim. Depending on where the loss or theft occurred you are to report it also to any connected party such as the hotel proprietors or the transport authority. For loss or theft of money you will normally be required to present a sworn statement ("affidavit") in support of your claim.

### Baggage

If your baggage is lost or damaged during your journey, make sure you report this at the Airline's desk at the airport. You will be given a "Property Irregularity Report" which is essential for your claim. You must also write to the Airline concerned **WITHIN 7 DAYS** of the incident. Do not leave your baggage unattended at any time.

### Medical expenses

The aim of the policy is to provide you with Insurance cover against unexpected illness or injury. It is, therefore, quite clear that **NO COVER** is provided for any illness or injury which existed prior to your departure and of which you are aware. This is particularly the case if you suffer from a chronic or recurring illness such as a heart condition, diabetes and hypertension.

### Valuables

Your policy has a limit for any one article and therefore you should ensure that you are not carrying anything above this limit (unless you have a separate annual policy covering valuables). Remember that you have a duty to care for your articles, and valuables should be regarded as uninsured unless they are either locked up or in the immediate control of a responsible person. Never pack valuables in luggage which will be unaccompanied, since no insurance cover will apply.

### Cancellation

If you have to cancel or cut short your holiday, contact your travel agent immediately so that any recoverable expenses can be claimed.

### Your policy

We highly recommend that you read your policy document since this will give you the full details of your cover.

### Making a claim

If you are unfortunate and suffer a loss, please contact us as soon as you can upon your return to Malta. Please make sure that you provide us with full details and with documents (such as Police Report, Property Irregularity Report, Receipts etc.) which may be required in support of your claim.
