Roadside Assistance Private Car

Our **Comprehensive Private Car Policy** includes Roadside Assistance cover automatically at no additional cost. Roadside assistance is also free when using your car in any member state of the European Union.

Private Car policyholders that have purchased **Third Party Fire & Theft** can extend the cover to include Roadside Assistance cover by paying an additional premium of €16.00 (plus document duty). The extension will also include a reduction in the standard excess of €50 and additional cover for personal accident, medical expenses, replacement locks, plus protected No Claims Discount for claims of theft of audio equipment. (For full details please refer to our private car policy section 11).

Private car policyholders who have opted for **Third Party Only** cover can also extend the cover to include Roadside Assistance for an additional premium of €16.00 (plus document duty). The extension will also include a reduction in the standard excess of €50, and additional cover for personal accident, medical expenses as well as assistance and advice in the recovery of uninsured losses. (For full details please refer to our private car policy section 12).

Cover can also be extended if the vehicle is used outside Malta in another EU member state for an additional premium of €15.00.

Should you require local roadside assistance please call our contractors MET on **2123 4661, 2123 4662 or 7923 4661**. Their systems are updated with details of vehicles that have roadside assistance cover.

If you intend to use your vehicle outside Malta please go to our page [Motoring Abroad](#) where you will also find information about roadside assistance cover when overseas.

The main benefits of the local Roadside Assistance service are:

1. 24-hour breakdown and towing service all over Malta and Gozo.
2. Free towing to any destination from any point of breakdown.
3. Transport to your home if the vehicle is towed to a repairer's site during night-time.
4. Replacement of battery on site (cost of battery is extra)
