What to do if you have an accident

First of all stay calm! Here is what you need to remember:

1. By law, you must stop if there is damage to any vehicle or property, or injury to any person, or certain animals, including dogs and horses. You must give your name, ID card number, address and insurance details to anyone with good reason to ask.
2. Make sure you get the names, addresses and phone numbers of any drivers, passengers or pedestrians involved, and details of any witnesses. By law, drivers must provide details of their insurance company and their policy number.
3. If you have a camera with you (for instance in your mobile phone) it is always a good idea to take photos of the accident, of any road signs or markings and of any damage suffered by the vehicles involved, before the vehicles are moved.
4. Do not admit blame or liability for an accident or offer to pay for any damage.
5. If you are involved in a front-to-rear collision you and the other driver must complete the Accident Report Form. You do not need to leave the vehicles in the same position they were in when the accident happened. If you are obstructing the traffic flow move the vehicles to a

safe area where you can complete the form. Remember to keep the Accident Report Form, which we provided you with when you took out this insurance, in your vehicle at all times.

6. In any other collision, as long as no persons have been injured, you are to call the Traffic Accident Warden service on [2132 0202](tel:21320202). You are required to remain on site until the warden arrives and to provide all the information requested. Do not move the vehicles unless ordered to do so by a Police Officer or by the warden. Follow any instructions given by the warden. We will receive a copy of the report drawn up by the wardens automatically and you will incur no charge for this service.
7. If the collision results in persons being injured, call the emergency services immediately on 112. Do not move any injured persons unless their life is in immediate danger, wait for the paramedics.
8. If, as a result of the accident, damage is caused to state-owned property then it is necessary to call the police who will come on site to draw up a report.
9. If your vehicle cannot be driven following the accident please call the GasanMamo Roadside Assistance Service on [2123 4661](tel:21234661) or [7923 4661](tel:79234661). Your vehicle will be towed for a fee to be incurred by you to a destination of your choice unless you have purchased Roadside Assistance Cover your vehicle will be towed for free to a destination of your choice.
10. If your vehicle suffers damage as a result of any criminal activity (such as an attempted theft or malicious damage) you need to report the matter to the police at the nearest police station. Do not disturb any evidence that the police may require in their investigations.
11. If you collide into or damage any other property belonging to third parties (such as boundary walls, trees, electricity poles, building facades or street furniture) please report the incident to the wardens who will come on site and draw up a report.

Contact us as soon as you can on [2134 5130](tel:21345130) to report your accident. You can also email us or use our website to report the claim:

Changes we need to know about

You must take reasonable care to provide complete and accurate answers to the questions we ask, when you take out, make changes to, and renew your policy.

Insurance Provided

Comprehensive	All sections of the policy are operative
Third Party Fire and Theft	Sections 1 and 3 of this policy shall be limited to loss of or damage to the vehicle caused by Fire or Theft. Sections 2, 4, 5, 6 and 7 are operative
Third Party Only	Sections 2, 4, 6 and 7A are operative

Section 1 - Loss of or damage to your vehicle

If your vehicle is lost, stolen or damaged, we may, at our option, either:

- pay for your vehicle to be repaired; or
- replace your vehicle; or
- pay in cash the amount of the loss or damage.

The same cover also applies to accessories and spare parts relating to your vehicle while these are in or on your vehicle or while in your private garage and which fall within the maximum amount payable.

The maximum amount payable in all cases will be:

1. the agreed value of your vehicle; or
2. the cost of repairing your vehicle up to the agreed value.

If, to our knowledge, your vehicle is subject to a hire purchase or leasing agreement, we may make any payment arising from a claim under the policy to the owner described in that agreement whose receipt will be a full and final discharge to us.

If we declare the vehicle a total loss or a constructive total loss and pay the agreed value of your vehicle, it will then belong to us. If we agree that you retain ownership, we will determine the salvage or scrap value of your vehicle and this amount will be deducted from the cash payment. The cover provided by this section will be deemed exhausted for the remaining period of insurance. Should you wish to reinstate this cover we will need to inspect your vehicle and you will need to pay an additional premium.

- the reasonable cost of fitting such accessories or parts

This cost will be estimated by us, taking into consideration the cost of any accessories and/or spare parts that need to be replaced, the workmanship hours needed to carry out the necessary repairs in accordance with the repair method approved by the motor vehicle's manufacturer, using the hourly rate paid out to the repair facility in Malta approved by the motor vehicle's manufacturer. In the absence of such a facility, the workmanship rate paid to a repair facility in Malta approved by other similar motor vehicle manufacturers will be used.

You may authorise any necessary repairs to your vehicle following any accidental damage to it provided that:

- the estimated cost of such repair does not exceed the sum of €250 and;

This policy provides the minimum cover you need by law for your vehicle when using it in any designated state. This cover will apply provided that your vehicle is registered in Malta within 30 days from the date of its purchase.

If you exceed this or intend to exceed 30 days overseas travel during the policy period, you must notify us immediately.

All designated states have agreed that a Green Card is not necessary for cross border travel. Your certificate of motor insurance should, therefore, provide sufficient evidence that you are complying with the laws on the compulsory insurance of motor vehicles in any of these countries that you visit. If, however, you contact us one working day before departure, we will be able to provide you with useful information on driving abroad, what to do and who to contact in the event of an accident.

There is no cover for countries outside the territorial limits. We may be prepared to extend cover to certain of these countries on request, in which case we will provide you with a Green Card and an additional premium will be required. You must contact us at least two weeks before so that we can prepare the necessary documentation.

B - Extending your cover

The cover provided by the policy in respect of loss or damage occurring outside Malta is limited to the minimum compulsory insurance required by law.
