If you need to ask any questions or should you require further information, please contact us and we will be more than happy to help you out.

We look forward to offering our insurance protection to you and to your car.

What to do if you have an accident

First of all keep calm. Here is what you need to remember:

1. By law, you must stop if there is damage to any car or property, or injury to any person, or certain animals, including dogs and horses. You must give your name, ID card number, address and insurance details to anyone with good reason to ask.
2. Make sure you get the names, addresses and phone numbers of any drivers, passengers or pedestrians involved, and details of any witnesses. By law, drivers must provide details of their insurance company and their policy number.
3. If you have a camera with you (for instance in your mobile phone) it is always a good idea to take photos of the accident, of any road signs or markings and of any damage suffered by the vehicles involved, before the cars are moved.
4. Do not admit blame or liability for an accident or offer to pay for any damage.
5. If you are involved in a front-to-rear collision you and the other driver must complete the Accident Report Form. You do not need to leave the cars in the same position they were in

when the accident happened. If you are obstructing the traffic flow move the cars to a safe area where you can complete the form. Remember to keep the Accident Report Form, which we provided you with when you took out this insurance, in your car at all times.

6. In any other collision, as long as no persons have been injured, you are to call the Traffic Accident Warden service on [2132 0202](tel:21320202). You are required to remain on site until the warden arrives and to provide all the information requested. Do not move the cars unless ordered to do so by a Police Officer or by the warden. Follow any instructions given by the warden. We will receive a copy of the report drawn up by the wardens automatically and you will incur no charge for this service.
7. If the collision results in persons being injured, call the emergency services immediately on 112. Do not move any injured persons unless their life is in immediate danger, wait for the paramedics.
8. If, as a result of the accident, damage is caused to state-owned property then it is necessary to call the police who will come on site to draw up a report.
9. If your car cannot be driven following the accident please call the GasanMamo Roadside Assistance Service on [2123 4661](tel:21234661) or [7923 4661](tel:79234661). If you have purchased Roadside Assistance Cover your car will be towed for free to a destination of your choice.
10. If your car suffers damage as a result of any criminal activity (such as an attempted theft or malicious damage) you need to report the matter to the police at the nearest police station. Do not disturb any evidence that the police may require in their investigations.
11. If you collide into or damage any other property belonging to third parties (such as boundary walls, trees, electricity poles, building facades or street furniture) please report the incident to the wardens who will come on site and draw up a report.

Contact us as soon as you can on [2134 5130](tel:21345130) to report your accident. You can also email us or use our website to report the claim:

Changes we need to know about

You must take reasonable care to provide complete and accurate answers to the questions we ask, when you take out, make changes to, and renew your policy.

Please tell us immediately if you become aware of any changes to your circumstances which may affect this insurance or any other material facts. Such facts could include but are not limited to:

- a change to the persons to be insured;
- a change in the address where you normally keep your car;
- a change of use of your car;
- pending prosecutions, outstanding police enquiries, criminal convictions or charges for a criminal offence of any of the persons to be insured and motoring convictions;
- you must also inform us immediately if the ownership of your car changes as the protection offered by this policy applies only for as long as you are the owner of the car;
- any modification to your car;
- any physical or mental impairment to any person insured by this policy.

When you inform us of a change, we will tell you if this affects your policy, for example whether we are able to accept the change and if so, whether the change will result in revised terms and/or premium being applied to your policy.

If the information provided by you is not complete and accurate:

- we may cancel your policy and refuse to pay any claim, or

Policy cover index

Comprehensive	Sections 1 to 10 of the policy are operative.
Third Party Fire and Theft	Section 1 is inoperative except for loss or damage caused directly by fire or theft. Sections 2, 4, 5, 6, 7A, 7B and 9 are operative. Section 7C and 11 are operative only if the additional premium has been paid and is indicated on the policy schedule.
Third Party Only	Sections 2, 4, 5, 6A, and 7A are operative. Section 7C and 12 are operative only if the additional premium has been paid and is indicated on the policy schedule.

Section 1

Loss of or damage to your car

If your car is lost, stolen or damaged, we may, at our option, either:

- pay for your car to be repaired; or
- replace your car; or
- pay in cash the amount of the loss or damage.

The same cover also applies to accessories and spare parts relating to your car while these are in or on your car or while in your private garage and which fall within the maximum amount payable.

The maximum amount we will pay will be the market value of your car but not exceeding your estimate of value shown in our records. It is agreed that in any dispute over the market value of your car, it will be your exclusive responsibility to prove that the market value of your car at the time of the loss was higher than that established by us.

If, to our knowledge, your car or car's drive battery are subject to a hire purchase or leasing agreement, we may make any payment arising from a claim under the policy to the owner described in that agreement whose receipt will be a full and final discharge to us.

If we declare the car total loss or a constructive total loss and pay the pre-accident market value of your car, it will then belong to us. If we agree that you retain ownership, we will determine the salvage or scrap value of your car and this amount will be deducted from the cash payment. The cover provided by this section will be deemed exhausted for the remaining period of insurance. Should you wish to reinstate this cover we will need to inspect your car and you will need to pay an additional premium.

Removal and Protection

If your car is disabled through loss or damage insured under this policy we will pay for:

- the reasonable cost of protection and removal of your car to the nearest suitable repairer and the reasonable cost of delivery to your address shown on the policy schedule after repair up to a maximum of €350; and
- the cost of a taxi to take you and your passengers to one destination of your choice within Malta up to a maximum of €50.

Spare parts and accessories

We may decide to repair your car with parts which may have not been made by the manufacturer of your car but which are of a similar standard.

If any accessories or spare parts required for the repair of your car are not available from the stocks held in the country in which it is being held for repair, we will have the option to pay in cash the cost of such accessories or parts limited to:

- the price quoted in the latest available catalogue or price list issued by the manufacturer or his agents for the country in which your car is held for repair. If no such catalogue or price list exists the price last obtaining at the manufacturer's works plus the reasonable cost of transport, otherwise than by air, to the country in which your car is held for repair and the amount of the relative import duty; and
- the reasonable cost of fitting such accessories or parts.

If your car cannot be repaired in Malta

We will have the option to pay in cash for the cost of repairs. This cost will be estimated by us, taking into consideration the cost of any accessories and/or spare parts that need to be replaced, the workmanship hours needed to carry out the necessary repairs in accordance with the repair method approved by the motor vehicle's manufacturer, using the hourly rate

paid out to the repair facility in Malta approved by the motor vehicle's manufacturer. In the absence of such a facility, the workmanship rate paid to a repair facility in Malta approved by other similar motor vehicle manufacturers will be used.

New car concession

We will:

1. replace your car with a new car of the same make and specification (subject to availability) or;
2. pay you a sum equivalent to the cost of such car, but not exceeding your estimate of the vehicle's value by more than 10%.

If within 12 months of purchase as new by you or your spouse:

- any repair cost or damage covered by the policy exceeds 60% of its list price (including registration tax and VAT) at the time of purchase; or
- your car is stolen and not recovered.

Replacement is subject to:

- your car being owned by you or your spouse or having been purchased by either of you under a hire purchase agreement (any car the subject of any type of leasing or contract hire agreement is not eligible for replacement);
- the agreement of any interested hire purchase company; and
- you or your spouse being the first registered owner of your car; and
- the estimate of your vehicle's value as shown on the policy schedule is equal to the purchase price paid by you.

If you choose to use such concession, your lost or damaged car will then belong to us.

Additional cover for Electric Vehicles and Plug-In Hybrid Electric Vehicles

Where the insured car is an Electric Vehicle or a Plug-In Hybrid then we will cover:

1. accidental loss or damage to charging cables, wall boxes and adapters as well as loss or damage caused by fire or theft up to a limit of €650;
2. electrical overload damage caused by lightning strikes but excluding damage caused by deep discharge or overcharge;
3. consequential damage, excluding fire, up to a limit of €20,000:

These excesses apply in addition to any other voluntary or compulsory excesses that may apply.

If the only claim you make is in respect of radios and other in-car entertainment equipment no excess will apply.

Uninsured driver promise

If your car is damaged in an accident where the driver of the responsible vehicle is not insured, you will not lose your no claim discount and we will refund the cost of any excess you have had to pay. You must provide us with the registration number, the make/model of the vehicle and the driver's details of the vehicle responsible. Once full recovery has been effected we will restore your no claim discount and refund any extra premium you have paid.

If following the issuing of this policy it is established that you were not entitled to a no claim discount or to a lower no claim discount we will notify you in writing of the additional premium to be paid. Failure to pay this additional premium within 15 days from the date of our notification can result in your policy being cancelled or in the cover provided being limited.

Our no claim discount scale is shown on our website, or else we can send you a copy upon request.

B. Protected no claim discount

This section only applies where the cover is Comprehensive or Third Party Fire & Theft and the no claim discount shown on your schedule is at the 5th or 6th year.

If more than one claim is registered in the same period of insurance, the no claim discount will be reduced in accordance with the scale that we apply at that time and you will not be able to purchase protection of no claim discount until you are at the 3rd year on our no claim discount scale.

C. Protected no claim discount - optional additional cover

This section only applies where the cover is Comprehensive or Third Party Fire & Theft, the no claim discount shown on your schedule is the percentage awarded for the 3rd or 4th year on our no claim discount scale, no claim is registered under this policy during the previous period of insurance and you have paid an additional premium for this cover.

Your no claim discount will remain at the current level if only one claim is registered, and the driver at the time of the accident was aged 25 years and over. If more than one claim is registered in the same period of insurance the no claim discount will be reduced in accordance with the scale that we apply at that time, however we will not take the first claim lodged into consideration.

Section 7

If you take your car abroad

A - Minimum cover for use abroad

This policy provides the minimum cover you need by law for your car when using it in any designated state. The level of cover we provide will be the minimum necessary to keep to the laws on compulsory insurance in the country where the event happened; or, the minimum cover needed either in that country or in Malta, whichever is higher.

This cover will apply provided that your car is registered in Malta within 30 days from the date of its purchase.

This policy is intended to provide insurance protection for vehicles that are registered and based in Malta other than for short trips abroad not exceeding 30 days in total in any one period of insurance. If you exceed this or intend to exceed 30 days overseas travel during the policy period, you must notify us immediately.

All designated states have agreed that a Green Card is not necessary for cross border travel. Your certificate of motor insurance should, therefore, provide sufficient evidence that you are complying with the laws on the compulsory insurance of motor vehicles in any of these countries that you visit. If, however, you contact us one working day before departure, we will be able to provide you with useful information on driving abroad, what to do and who to contact in the event of an accident.

Travelling with your car to countries other than designated states

We may be prepared to extend cover to certain of these countries on request, in which case we will provide you with a Green Card and an additional premium will be required. You must contact us at least two weeks before so that we can prepare the necessary documentation.

B - Temporary extension of territorial limits

If you take your car abroad to any designated state the territorial limits shall be extended to include any of designated states that you will be travelling to. Section 9

Motor legal expenses

Persons insured by this section

The persons covered by this section are the policyholder, any authorised driver and any passengers carried in your car at the time of an accident and/or incident, which occurs within the period of insurance.

Legal expenses to claim costs or compensation after a motor accident or incident

If there is an accident and/or incident involving your car which is not your fault, we will pay legal costs and expenses up to a limit of €1,000 in respect of any one incident and in total in any one period of insurance, to help claim against the person(s) responsible.

As part of your claim we will pay to recover your financial losses, such as uninsured losses to your car, replacement car hire costs and loss of earnings, and also obtain compensation if, as a result of travelling in, getting into or out of your car, you die or sustain personal injury. We must agree that reasonable prospects of success are present throughout the duration of the claim. This means that we must believe that it is more likely than not that you will succeed in a claim for those losses.

The following conditions apply:

- the incident occurs during the period of insurance;
- the incident occurs within the territorial limits;
- any legal proceedings will be carried out within the territorial limits by a court or similar body which we have agreed to.

You are free to appoint a lawyer of your choice to act for you, however you may not agree to any charges without our prior approval in writing. The lawyer will be required to agree to our standard terms of appointment. Alternatively we will appoint a lawyer chosen by us, unless a conflict of interest exists. There is a conflict of interest if we provide liability or legal expenses insurance on behalf of any other party in the dispute which is the subject of a claim under this section.

The legal costs and expenses we will pay for

We will pay for the reasonable legal costs and expenses, which we have agreed to or authorised, incurred in respect of your claim against the responsible party and/or legal costs and expenses, which you have been held responsible for by a court or similar body directly relating to the claim. In determining whether or not costs are reasonable, we will make reference to the taxed bill of costs issued by the court or by a similar body. We will also consider whether a person without legal expenses insurance, and with the funds available to finance their own legal costs, would be likely to find the costs in question reasonable.

Specific factors we will take into account in making this determination are:

- the amount of any financial losses being claimed;
- the value and complexity of the case;
- the geographical location of the person and the other party to the action;
- the conduct and actions of the other party;
- the normal level of legal costs and expenses a similar specialist lawyer appointed by us would charge.

Reasonable prospects of success explained

Before we begin to pursue financial losses or pay any legal costs and expenses we will discuss your claim with the appointed lawyer and assess the prospects of success.

In respect of all claims we need to establish that it is more likely than not that you will:

- make a recovery of damages either in full or in part against the person(s) you believe were to blame;
- recover more than any offer of settlement from the person(s) you believe were to blame;
- make a successful appeal or defence of an appeal;
- obtain a legal remedy which we have agreed to pursue or defend;

If at any time it is established that your claim no longer has a reasonable prospect of success, we will confirm this in writing to you. We will pay for all costs and expenses we have agreed or authorised prior to the change in prospects of success. You have the right to continue the legal proceedings but this will be at your own expense and we will not pay any legal costs and fees you may be held responsible for after the confirmation in writing.

What is not covered

We will not pay any costs and expenses:

1. *which we have not agreed to or authorised;*
2. *incurred prior to our acceptance of a claim;*
3. *resulting from any legal action you take without our prior approval;*
4. *resulting from any claim deliberately or intentionally caused by you;*
5. *for a dispute with us in respect of the policy terms and conditions;*
6. *for losses already paid by us under any other section of this policy.*

Conditions relating to your claim

1. Incidents must be reported to us within 90 days after the date you discovered the incident
2. You must allow us direct access to the appointed lawyer who will provide us with any information or opinion on your claim.
3. You must provide us with any information or instructions that we may reasonably ask for in relation to your claim. If we do not receive all the information or instructions we need we may delay or suspend your claim.
4. You must notify us immediately if the approved lawyer receives a formal offer to settle a claim or to make a payment into court.
5. If you do not accept a payment into Court or any offer where the appointed lawyer advises that this is a reasonable payment or offer, we may refuse to pay further legal costs and expenses.
6. No agreements:
 - a. with a third party in which you admit liability;
 - b. to settle on the basis of both parties paying their own costs; are to be made without our prior approval.
7. You must support us in the recovery (from the person(s) who you believe were responsible) of any legal costs and expenses that we have paid and pay those legal costs and expenses to us.
8. In respect of the following, if you:
 - a. settle or withdraw a claim without our prior agreement;
 - b. do not give suitable instructions to the appointed lawyer; or
 - c. dismiss an appointed lawyer without our prior consent,
